Register Now

**Format** :

Pools will be Called within 15 minutes of the close of registration.

One round of pools followed by 15 point direct elimination. If there are less than six fencers, the DT may run two rounds of pools before direct elimination.

**Required Equipment**:

· 350 CE equipment is required.

· Fencing breeches must be worn. They must cover below the knee and long socks must be worn with breeches.

· A fencing sous-plastron is required.

· Masks must have a secure strap and be able to pass the 12 kg punch test.

· Female participants must wear a chest protector. Male fencers are strongly encouraged to wear a protective cup (Jock strap).

· Fencers must have their own equipment. There will be no ability to borrow equipment at the venue.

**Armoury**:

Fencing mask and glove must be checked by the tournament armourer for safety prior to competing. Masks and gloves must be clean when being tested. Electric masks and lames alongside weapons/body wires will not be checked at the armoury. The appropriate penalties will be assessed on piste by the referee if a fencer presents with equipment that does not work.
